47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competitive providers. Don't want only two different choices. Att dsl was too slow and price is a little high and Comcast is cable and its really expensive. Two different technology and both are not up to date and are charging a lot for poor service. Now I have sonic and its way better than the other two.
